“ In tough economic times the needs for those less fortunate is even greater. I encourage you to get involved and donate to this year's United Way Campaign. With your support we can LIVE UNITED and improve the health and well-being of OUR community.”
Marshall Warner

**Executive Vice President, Chesapeake Bank
2011 Board President**

“Today, there are a multitude of community challenges to be met in helping those in need. Thankfully, your donation will go a long way in assisting our funded programs to relieve some of the strain placed on their services due to the current economic pressures facing our neighbors.”

Karen Jamison

Community Representative

2011 Campaign Chair
